For your expatriation, we work together!

My Relocation Asia accompanies you in your integration and everyday life in Vietnam, Laos and Cambodia. To this end, we support you in any administrative procedures and in the challenges of moving abroad, but we also inform you about the coming events, good addresses in town, gateway ideas and business news.

Support solutions for companies which want to set up in Vietnam

About 15 years ago, a company wanting to set up in Vietnam started by making a prospecting trip to discover the market and meet potential suppliers, customers and investors.

Then, it was necessary to rent an office, establish a legal entity, recruit an expatriate and send him or her there.The expatriate in turn had to settle down, recruit staff and manage the local entity.

You said it

"I wanted to testify of the satisfaction I had to meet Stephanie and Oceane when I arrived in Vietnam. A huge thank you to Oceane for her professionalism, her listening and especially for her availability. Oceane followed me from beginning to end, and found the time to help me during my installation.
